Teacher: _____ Room No. _____

Title of Book: _____

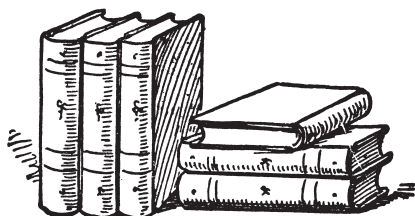

Author's name: _____

Parents/Guardians : May we post and share your child's RAP?

If Yes, please sign or initial here. _____

Draw a picture and/or write a few sentences sharing what you learned from reading this book. Younger students may just draw a picture. You may also turn to the back of the page for more ideas on what to write.

Let's Read As Partners

Genre: *Science/ Reference*

Grade level: *Grades 2 - 6*

Dewey Decimal Classification System:

000 – 199	Encyclopedias, books about libraries
400 – 423	Dictionary, thesaurus
500 – 599	Science, math, astronomy, weather, dinosaurs
600 – 699	The human body, cars, planes, space ships

List of optional activities:

1. Write a paragraph to describe new information you learned from this book.
2. Draw a picture and label it with important items you learned from this book.
3. Draw and write about a problem you became aware of by reading this book. Explain how this problem could be solved or a way you think it could be solved.
4. Show what you have learned by creating something. Make a model, diorama, bookmark, etc. and include a written description of your project.
